## Grain Insurance and Guarantee Company has been protecting Canadian businesses for over 85 years.

We began in 1920 to insure prairie grain elevators and work with Western businesses to protect their assets. We listen to our brokerage partners and their customers. We recognize new opportunities and develop innovative insurance programs targeted directly at specific business sectors.

Our Church Program offers competitive rates on a complete menu of insurance needs, and then adds specific coverage for the religious community. We can be counted on to be there through both the good and the challenging times providing peace of mind and innovative specific coverage.

Grain Insurance and Guarantee Company is a federally licensed, Canadian-owned company that prides itself in its commitment to unwavering, consistent and stable underwriting for both our policy owners and their brokers. Our service is outstanding and we are dedicated to providing you with fair, fast and complete claims settlements.

Place your trust in "The Grain" where Canadians have come to protect their assets since 1920.
